Number harvested by hunting camp: _____

Number of days hunted by camp: _____

Hunting Party Size: _____

Transportation used (e.g. truck, ATV, boat, canoe): _____

All non-Kaska First Nation and licenced hunters are requested to complete this survey for the stewardship of wildlife in the Kaska Traditional Territory. In addition, this information will assist in managing the populations, reducing land use conflicts during periods of high cultural and traditional uses.

Report wildlife violations to the 24 hour Conservation Officer Hotline – 1-877-952-7277
(<http://www.env.gov.bc.ca/cos/rapp/form.htm>) and/or DDC Land and Resource Officer. To provide meat from hunts, please call the Daylu Dena Council (250) 779-3161.
