

KASKA DENA

Tea & Bannock Communication Series

❖ Creating a Path
Forward Together ❖

How to Participate:

Central hubs will be set up in the following communities:

Lower Post

Good Hope Lake

Kwadacha

Through your own computer:

If you wish to join the Tea and Bannock Series from your own computer, register by clicking on the below link, or by scanning the QR code with your smart phone camera. This will take you to the registration page on the KDC website, with instructions of how to register for any or all of the Tea and Bannock Series.

Tea & Bannock Series:

(Virtual Campfire Discussions)

The Tea and Bannock Series has been designed to create the opportunity for Kaska citizens to receive information and have discussions following four themes as they pertain to Kaska Dena Rights and Title, Reconciliation & Unity:

- ❖ OUR FUTURE
- ❖ OUR LAND
- ❖ OUR PEOPLE
- ❖ OUR LAWS

The Tea and Bannock Series will utilize the community zoom kits provided by KDC to create centralized locations for people to gather for the Tea and Bannock Series while also providing links for individuals to join with their own computer.

While COVID has restricted us from getting together in our usual way, we hope that these virtual campfire discussions will provide what we hope will be an enjoyable and productive way for all of us to talk, share ideas, and get to hear from friends and relatives in other communities. It will also be a way to listen to information on important Kaska matters and provide your input and direction to help guide the work of our leaders in the future. And yes, for those of you who join through your community hub, tea and bannock will be served!
